About 2,000 years ago, Jesus Christ, said to his disciples "you are the salt of the earth"

This is a good description of Jesus' followers sharing the good news about Jesus Christ and showing it by the things they do.

Saltworkz began with Christians in the Haywards Heath area showing the good news in the local area by helping people and arranging community activities such as kids clubs, sports competitions and family fun days. We then decided it would be good to have a permanent base which could be a meeting point for the local community, and somewhere for the churches and other agencies to offer help and advice.

Saltworkz is a non-profit making organisation, managed by some paid staff and a team of volunteers.

We hope you enjoy your visit. If we can provide any information or assistance please ask.

Open:  
9 am to 5 pm Monday to Fridays  
10 am to 3 pm Saturdays
